Dear Sir

16.3.07

This letter is to introduce the Barrow - District Junior Football League - Community Sponsorship Partners who are acting on our behalf to produce approximately 27,000 fixture lists over the next 2 seasons. These fixture lists will then be distributed to all players & managers from the league at a rate of approx 1900 for September, October, November, March, April & May & approx 285 for December, January, & February.

The league offers football for children from the age 6 to 16, & boasts some 100 teams competing every Saturday, covering an area from Ilkerton to Bostle, covering Barrow, Dalton, Askam & Mutton.

In supporting this project you will be putting vital funds into children's football across our region.

Thanking you in advance for your support

(D. TYSON)
Secretary
