Dear Sir/Madam,

This letter is to confirm that Community Sponsorship Partners will be acting on behalf of the Burnley & District Youth League known as the Warburton Youth League in respect of producing 24000 fixture lists over the next two seasons. The fixture lists will be distributed to clubs at a rate of 1340 per calendar month.

This league at present offers football to children from age 11 to 17 with a view to expanding these ages and covers a 16 miles radius from the centre of Burnley.

We look forward to working with Community Sponsorship Partners in this venture.

Yours sincerely,
