To Whom it may Concern

Dear Sir / Madam,

This letter is to introduce Poulton Primary League and Community Sponsorship Partners.

As you may be aware, 'grass roots' Football in the Community is an important part of the future of our National Game, but more often the development of young people in our community.

All of the people involved in organising youth football for both young boys and girls are volunteers giving up valuable time every week. This may take the form of the obvious coaching and transport responsibilities, but also fund raising activities such as football festivals, raffles, Christmas parties etc. The funds raised go towards ground fees, equipment, trophies as well as other important items.

In an on going effort to promote local awareness of the league and it's valuable work as well providing extra funding. The league has authorised Community Sponsorship Partners to produce our fixture lists and offer local businesses the opportunity to feature upon them for the next two years. These lists are distributed to parents and coaches as well as other interested parties all over the Fylde coast on a monthly basis. Often they will take 'pride of place' in the homes and businesses of those concerned.

By supporting this initiative, your business will be helping the development of young people in your community.

Thank you for your continued / anticipated support.

Yours in Sport.

Tony Beaden General Secretary

23rd February 2007 .

Dear Steve,

Can me on behalf of the Poulton and District Primary League thank you for your professional and artistic way you have produced our fixtures. You have delivered as promised our fixtures and totals on time so the league can distribute to clubs, teams and young players. Each team has been issued with 25 copies of our fixtures allowing our boys and girls to see at a glance their forthcoming games.

Dennis McCullough,

Chairman, PDPL.
