Dear Bob

Unfortunately been very busy with football matters which has not given me time to record in writing what a tremendous effort you have done for us by obtaining the sponsorship boards. It is something we as a club had tried but with very few rewards.

For you to come to a strange city and produce the goods as to speak has, not only brought our club much needed revenue but also vastly improved the look of our ground due to the excellent production of the boards.

It has certainly been worth the wait we had, and look forward to dealing with you next year, in the meantime I have enclosed a few photos, and on behalf of Yaxley football club would like to thank you again.
