Dear Sir / Madam

We would like to introduce The Bolton Boys & Girls Federation and Community Sponsorship Partners, who are acting on our behalf to produce approximately 23,000 fixture lists over two seasons. The se fixture list will then be distributed to all players and managers from the league at a rate of approx 1280 per calendar month.

The league offers football for children from the age of eleven to eighteen and boasts some eighty teams competing every Sunday, covering a wide area including Bolton itself up to Ramsbottom and Burnley across to Wigan and into Manchester and Salford.

We as a League Manage Management Committee think the idea that every player will have his own fixture list, and again we can see this publication taking pride of place on any information board.

In support of this project you will be putting vital funds into youth football.

Yours sincerely
