Dear Stephen

Fixture Lists

Thank you for your visit to our office to discuss your proposal for the printing and issue of the above.

On behalf of the County FA I fully endorse the initiative for the following reasons:-

- high quality product
- ability for leagues to benefit financially
- opportunity to reduce league administration

Please feel free to discuss this with the three affiliated leagues within our County through the contact information that I supplied.

We have a Youth Division meeting scheduled for 12 February which will have representation from all three leagues. I will ensure that your proposal is on the agenda for discussion.

Yours sincerely
