To Whom it may concern.

Dear Sir/Madam,

This letter is to introduce the South Lancashire Counties Football League and Community Sponsorship Partners.

We have contacted Community Sponsorship Partners to design, print and supply 27,000 fixture lists for the next two seasons to be distributed on a monthly basis at a rate of 1500 to players and managers of every team within the league. C.S.P. are also authorized to offer advertising opportunities upon the fixture lists to businesses or other interested parties from across the area.

The South Lancashire Counties Football League has at least 84 teams offering football for boys and girls across the area stretching from Chorley in the north to Warrington in the south and from Southport in the west to Bolton in the east.

The main concentration of teams however would hail from in and around the Wigan area.

The introduction of this initiative will not only raise vital funds for youth football in our community but will help to raise the profile of our league while at the same time improving communications between the league and the parents of those involved etc.

We feel sure that once received, these fixture lists will take pride of place on the "kitchen wall" of many a home and club house across the district every month.

By supporting this venture you will be contributing to the development of young people throughout South Lancs.

Yours in sport

Alan Greenhalgh
General Secretary.
