### To Whom it may Concern

Dear Sir / Madam

This letter is to introduce the Timperley & District Junior Football League and **Community Sponsorship Partners**.

We have contracted Community Sponsorship Partners to design, print and supply **106,000** fixture lists for the next **TWO SEASONS** to be distributed on a **monthly** basis to **players (parents) and managers** of every team within the league. C.S.P. are also authorized to offer advertising opportunities upon the fixture lists to businesses or other interested parties from the across the area.

The Timperley & Distict JFL has at least **360 Teams** offering football for boys and girls from **8 to 18 years old** across an area stretching from **Worsley** in the north to **Alderley Edge** in the south and from **Lymm** in the west to **Stockport** in the east.

The introduction of this initiative will not only raise vital funding for youth football in our community but will help raise the profile of our league while at the same time improving communications between the league and the parents of those involved etc.

We feel sure that once received, these fixture lists will take pride of place on the "kitchen wall" of many a home and club house across the district.

By supporting this venture you will be contributing to the development of young people throughout Manchester.

Yours in Sport
